BUILT TO BRING PEOPLE TOGETHER

The Chameleon Collection is a versatile series of soft seating, tables, and accessories that are intentionally designed to connect people. From working areas to common spaces to food courts, the huge range of customizable elements allow Chameleon to be specified for any space.

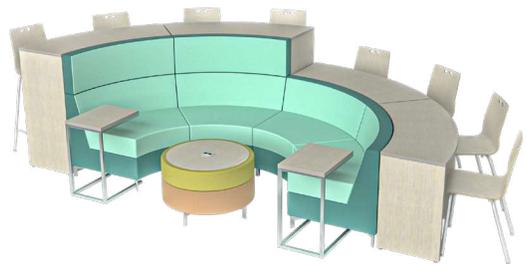

Utilize high-back Chameleon seats to create a private meeting space and optimize acoustic control or low-back Chameleon seats for an energetic, open atmosphere.

The Chameleon Collection features a solid frame and inviting soft upholstery in a timeless look that will be at home in both modern and traditional spaces. With a range of integrated power and charging options, Chameleon is made for activity.
